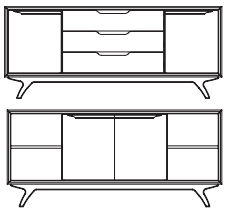
Shelf - drawer - shelf credenza BK-3072SDS

Overall dimensions	70.5"w x 19.25"d x 30"h	**Weight**	255 lbs.
Exposed wood	Solid Ash or Walnut	**Cubic feet**	29



Standard features	Options available
• Ash or Walnut veneer chassis • Solid Ash sliding door pulls and base • Three drawers with cut out pulls • Open shelves at each end section	• Optional two toned finishes • Chassis finish • Door pull/leg and base finish

Finish selection

Because of the unique nature of Ash and Walnut veneers and solids, only select stains are available

- On Ash veneers and hardwood - MBM, MHM, MLC, EBY
- On Walnut veneers and hardwood - BUW, MNW, MGO

Construction

- 1 3/16" MDF core faced with veneer on the outer frame
- ¾" thick back panel, shelves, sliding doors and drawer fronts
- Cam and bolt construction including pocket bores, dowels and wood screws
- Ash hardwood base assembly and door pulls

Glides

- Non-marring adjustable glides

Carton/packaging

- Unit is packed in a carton with foam blocks and leg saddles to help prevent damage to the unit and the leg assembly.
