

A person wearing green scrubs and brown shoes is standing on the left side of the frame, partially cut off. In the center, a grey folding chair is set up on a wood-grain floor. The background is a plain grey wall with a window at the top showing a view of green trees. The overall scene is brightly lit, suggesting an indoor setting like a clinic or office.

In The Fold

FOLDING CHAIR + STORAGE

DESIGNED TO FLEX, READY TO SUPPORT

Designed for spaces where seating needs change throughout the day, In The Fold brings flexibility to healthcare, workplace, education, and multipurpose environments. Its name speaks to both inclusion and adaptability, helping bring people "into the fold" when additional seating is needed, then folding away when the space needs to reset.

Standard

A healthcare professional in green scrubs and a stethoscope is shown from the waist up, holding a grey folding chair. The chair is partially unfolded and is being held in a way that demonstrates its storage capability. The background is a clean, clinical room with a window showing trees outside and a wooden cabinet with drawers on the right side.
