Note	Non-mulesed wool  Certified Oeko-Tex 100 Standard, global certification for environmental and health consciousness.  Colors Pearl and Dolly are created by blending the natural wool from the fleece of sheep with black, brown, and white wool – they are not dyed. This is the most environmentally friendly “coloring” process possible, simply using the natural hair in a blend to create a fabric of rich, multi-color hues.				
Reduced environmental impact	<ul style="list-style-type: none"><li>• Fully Biodegradable</li><li>• 100% Natural wool</li></ul>				

\*ACT\* Registered Certification Marks

Abrasion test results exceeding ACT Performance Guidelines are not an indicator of product lifespan.

Multiple factors affect fabric durability and appearance retention.
