

Comfort and style

Dess was created with public spaces in mind, including corporate lobbies, healthcare waiting spaces, senior living, and learning environments. Inspired by residential and hospitality design, comfort and style were both included to create beautiful and supportive spaces. Customize Dess to complete your space by using our wide variety of fabric options, powder coats, and various arm caps.

Armless lounge chairs

Marcel Beck

Beck & Beck Design Associates

For a product to be truly successful, Marcel and Rita Beck believe it must enhance and promote the company for which it was developed. Before creating their design firm, they attended furniture design shows across the world, finding inspiration and building

knowledge about the diversity of people and industries they would serve. In 1992, they brought back their experience to establish Beck & Beck Design Associates. Their international sensibility still influences each of their designs today.
