

Cascade occasional tables combine the beauty of organic shapes inspired by nature with interesting material and color selections. Richly colored paint options paired with a beautiful offering of wood finishes, along with solid surface top options gives broad specification options.

The collection's varying heights are designed to allow users to group multiple tables for interesting and layered work surfaces.

Cascade

Marcel Beck

Beck & Beck Design Associates

For a product to be truly successful, Marcel and Rita Beck believe it must enhance and promote the company for which it was developed. Before creating their design firm, they attended furniture design shows across the world, finding inspiration and building

knowledge about the diversity of people and industries they would serve. In 1992, they brought back their experience to establish Beck & Beck Design Associates. Their international sensibility still influences each of their designs today.
