

Retrospect

Public spaces

Experience the timeless appeal of the Retrospect – a perfect harmony of contemporary design and functionality. Effortlessly personalize your space with features including arm designs, back placements, leg options, hang tables, bolster pillows, and tablets. Scaled benches for children's areas ensure inclusive seating for all visitors.

Choose from a vibrant array of paint options, wood finishes, and solid surface tops, providing extensive possibilities for tailored specifications. The collection's varying heights enable creative work surfaces by grouping tables, making Retrospect an adaptable and chic solution for any environment.

Marcel Beck

Beck & Beck Design Associates

For a product to be truly successful, Marcel and Rita Beck believe it must enhance and promote the company for which it was developed. Before creating their design firm, they attended furniture design shows across the world, finding inspiration and building

knowledge about the diversity of people and industries they would serve. In 1992, they brought back their experience to establish Beck & Beck Design Associates. Their international sensibility still influences each of their designs today.
