

Extending the family of Serony seating into behavioral health settings brings design consistency along with safe and functional solutions. Serony blends the strength of metal with cleanable components in a warm, comfortable and stylish design.

Full family of seating allows the design aesthetic to be carried throughout any facility. Public and patient spaces benefit from the entirety of the Serony family.

Mike Shields - Studio 3

Led by the belief that form truly does follow function, industrial designer Michael Shields of Studio3 has been designing furniture for over 30 years. His focus is on designing for disassembly, seeking out environmentally responsible materials, and ensuring comfort for the user.

After working closely with other contract manufactureres, Michael launched an independent design studio in North Carolina, where he has been providing clients with innovative products since 2001. His work has earned him over twenty patents and six Best of NeoCon awards.
