

ROOM x Carolina Phone Booth

A partnership that pioneers performance privacy.

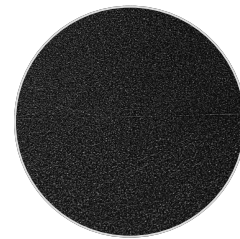

Healthcare spaces are often noisy and short on privacy, creating unnecessary friction for the people who rely on them.

The ROOM x Carolina Phone Booth offers a private retreat for quiet, focused moments. Built to withstand the demands of high-traffic spaces—from healthcare and education to hospitality and corporate environments—it elevates a classic with healthcare-grade materials that resist stains, repel moisture and stand up to bleach cleaning.

Phone Booth

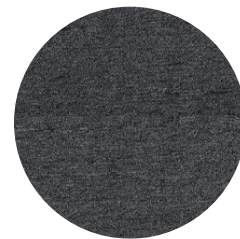

01 OFS Shield Custom Interior Textile
Bleach-cleanable interior wall fabric backed by Tekloom® technology creates sterile, safe touchdown spaces while protecting privacy

02 Powder-coated Door Handle
Anthracite metal door handle is hygienically designed for easy wipe-down, opening the door to pristine privacy.

03 High-pressure Laminate Desk
A built-in, 31.5" wide desktop in HPL oak finish gives you ample space with a wipeable surface.

04 Industrial Grade Carpet
Durable, cleanable 100% solution-dyed carpet withstands heavy foot traffic in public spaces.

Phone Booth

01 Sustainably Soundproof
Panels made from recycled PET reduce noise by up to 32dB, ensuring private conversations in healthcare and public spaces.

02 Custom Built-in Desk
Durable, bleach-cleanable HPL desk (31.5") gives you a hygienic surface with ample space for all your essentials.

03 Magnetic Board
Designed to house your favorite accessories, the magnetic board ensures you stay organized.

04 Power Outlets
Two outlets keep personal devices fully powered.

05 Ethernet Port
CAT6 RJ45 plug ensures you never miss a connection.

06 Ceiling Fans
Two ultra-quiet fans keep you cool under pressure.

07 Motion Sensor
Smart sensors activate the light and fans, helping you stay energy efficient.

08 Leveling Feet
Adjustable feet compensate for uneven surfaces, so everyone stays level-headed.

09 LED Light
An overhead LED light strip ensures clarity for reading and telehealth calls.

10 Plug
Located in the back, a standard 120V plug with a 10ft long power cord gives you freedom to make room where you need it most, no hardwiring required.

11 Sprinkler Access Hole
Pre-drilled sprinkler access with removable caps ensures compliance with fire safety codes in all environments.

12 Magnetic Door
Acrylic panel with magnetic seal and metal frame minimizes noise from outside, ensuring private conversations stay private.

13 SCS Indoor Advantage Gold Certified
Removable for easy cleaning, a discreet inlet optimizes airflow for the highest level of indoor air quality performance, meeting strict chemical emission limits for VOCs and ensuring a healthy indoor environment.
