Standard Finish Selection

<http://firstoffice.com/design-resources/finishes/search>

- Veneer
 - 16 Veneers and 2 Studio Veneers
 - Quartered veneers are available in Cherry, Walnut Maple or Oak
 - Studio Veneers are available in Salvaged Walnut or Salvaged White Oak
- Laminate
 - 10 Wood Grain Laminates; 2 Textured Laminates; 6 Solid Color Laminates
 - Tops are available in Cherry, Walnut, Maple or Oak
 - Textured Laminates are available in Natural Champagne or Natural Steam Wash
 - Solid Color Laminates are available in Frosty White, Pure White, Wallaby, Platinum, Grey or Slate Grey

Worksurfaces

- Tops are 1.1875" thick for Veneer
- Moderate open grain with matte finish
- Tops are 1.125" thick for TFL
- TFL worksurfaces are thermally-fused with a 3mm PVC edge
- HPL and 3DL tops available
- 3mm edges are profiled on all 4 sides (except 3DL)
- Underside support rails are standard on all 60"w and 72"w tops for support
- Durable scratch-free matte finish on all units

Wire Management

- Wire baskets available to conceal wires under the surface
- Locking options are available at an upcharge

Metal Bases

- Deuce, T, Arc or Orb static bases are made of tubular steel
- Pnuematic, crank or electric height adjustable bases made of steel
- Bases available on casters or glides

Modesty Panels

- Help to conceal circuitry components for electrical applications and to provide privacy for users
- 7"h panel; 7.5"h with top attachment brackets
- Flat edges
- Tops are predrilled for modesty bracket attachment
- Offered in TFL, Veneer or Acrylic (with or without film insert)
- Bracket types designed to use specifically on tables with static, folding or flip-and-nest bases

APPLAUSE TABLES

Electrical

- 4-Trac Multi Circuit System
 - 4 wires, 2 circuits and 20 amps each (Circuit I and II only)
 - 13 duplex receptacles per circuit, 26 15 amp duplex receptacles per power in-feed max
 - Easy to install and reconfigure
 - UL listed as a manufactured wiring system
 - More economical than 8 wire system
 - Perimeter single circuit system
- FirstOffice can deliver total "Plug-N-Play" ease for unlimited power reconfigurations
 - Perimeter is a single circuit configuration of up to 8 duplex outlets with a standard 15 amp plug and offers total reconfigurability
 - Single circuit power
 - 12 amp total system rating
 - 15 amp power in-feed 10' cord
 - Over current protection
 - Up to 8 duplex devices
 - 2' maximum unsupported cable
 - Connector brackets required between tables
 - Cords between two tables must be supported near the edge of the worksurface (maximum of 3" from the edge)
- Perimeter system by itself is UL recognized

Edges

- Edges • Two Options - Square or Ergo

Features

- QuickShip
- SCS Indoor Advantage Gold Certified
- 12 Year Warranty
