Built up components Pedestal desks

General

- Overall dimensions: 30x60, 30x66, 30x72
- Height: 30"h
- One tray, box, and file drawer per pedestal location
- 30"d Models features a 4" front overhang, and a 1 ½" Overhang on each side
- 36"d Models feature a 10" front overhang, and a 3 ½" Overhang on each side

Options

- No writing slide (Z4) standard. Optional pull out writing slide (LU) adds writing slide over each tray drawer
- No center drawer (Z5) standard. Optional center drawer (Z6) with lock
- No grommet (G1) standard. Optional grommets available in left, right, or left and right locations

Veneer model desk moulding

- No moulding (NF) standard. See [veneer desk moulding](#) section for available options

Built up components Table desk

General

- **Note:** Available as veneer only
- Overall dimensions: 30x66, 30x72
- Height: 30"h
- 16"d Locking center drawer
- Finger grip pull
- Pencil tray
- Ships KD

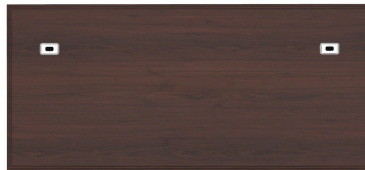

Options

- No grommet (G1) standard. Optional grommets available in left (G4), right (G2), or left and right (G5) locations

[23-W6630TD](#) (shown)

Grommets

Left and right locations shown (G5)

Built up components Work table

- Overall dimensions: 25x37
- Height: 29 ½"h
- Top adjusts to computer or typing height
- Accommodates printer
- Wire management capabilities
- Universal square edge on top
- Opening in rear top for paper feed or wires
- 3 ½" Space at bottom of back panel for wire passage to wall

[23-M3625WT](#) laminate (shown)
[23-W3625WT](#) veneer

Built up components Computer desk

General

- Overall dimension: 24x48
- Height: 30"h
- One tray, box, and file drawer pedestal
- Pedestal handed left or right
- Grommet in top standard, located opposite pedestal side
- 3 1/2" Space at bottom of back panel for wire passage to wall

Options

- No writing slide (Z4) standard. Optional pull out writing slide (LU) adds writing slide over each tray drawer
- No hinged panel (FX) standard. Optional hinged back panel (FZ)

[23-M4824RPD](#) laminate (shown)

Writing slide

Writing slide (LU)

Hinged panel

Hinged panel (FZ)

Built up components Computer desk organizer

- Overall dimensions: 46x14 1/4"
- Height: 24"h
- Handed left or right. **Note:** Hand should coordinate with computer desk hand
- Stationary storage shelf with 15"h clearance below shelf in kneespace width section
- 21 1/2"h Clearance below hutch top and in front of shelf in kneespace width section
- Adjustable shelf in narrow section

[23-M4624HNR](#) laminate (shown)
[23-W4624HNR](#) veneer

Built up components Bridge

General

- Overall dimension: 22x42, 22x48
- Height: 30"h
- 3 1/2" Space at bottom of back panel for wire passage to wall

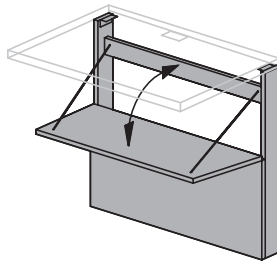

Options

- No hinged panel (FX) standard. Optional hinged back panel (FZ)
- No grommet (G1) standard. Optional grommet in any combination of left, right, and center

[23-M2242BR](#) laminate (shown)
[23-W2242BR](#) veneer

Hinged panel

Hinged panel (FZ)

Grommets

Left, center, and right locations shown (G8)

Built up components Return

General

- Overall dimension: 22x42, 22x48
- Height: 30"h
- Two file drawers
- Pedestal handed left or right
- 3 1/2" Space at bottom of back panel for wire passage to wall

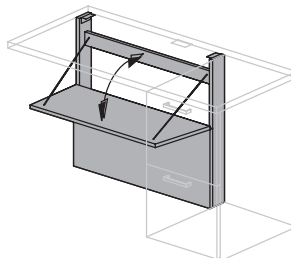

Options

- No hinged panel (FX) standard. Optional hinged back panel (FZ)
- No grommet (G1) standard. Optional grommet in any combination of left, right, and center

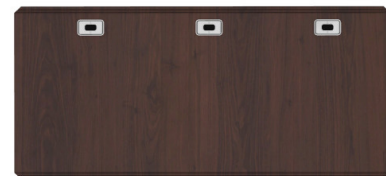

[23-M2242RPR](#) laminate (shown)
[23-W2242RPR](#) veneer

Hinged panel

Hinged panel (FZ)

Grommets

Left, center, and right locations shown (G8)

Built up components Corner unit

- Overall dimension: 36x36, 42x42
- Height: 30" h
- Grain runs from side to side, parallel to user side
- For use with bridges and returns
- Grommet in worksurface corner standard
- 10" d Storage shelf
- Top profiled on all sides

[23-M3636CU](#) (shown) laminate
[23-W3636CU](#) veneer

Grommets

Grommet standard in corner

Built up components Credenza | pedestals

General

- Height: 30" h

File/file

- Overall dimensions: 20x66, 20x72

Lateral file

- Overall dimensions: 20x72

Kneespace

- Overall dimensions: 20x66, 20x72

Options

- No hinged panel (FX) standard. Optional hinged back panel (FZ)
- No grommet (G1) standard. Optional grommet in any combination of left, right, and center

File/file

[23-M7220CRR](#) laminate (shown)
[23-W7220CRR](#) veneer

Lateral file

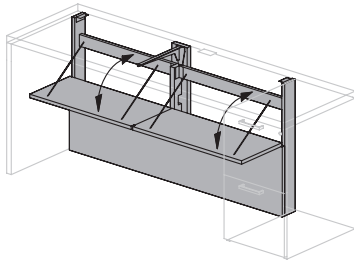

[23-M7220CRRL](#) laminate (shown)
[23-W7220CRRL](#) veneer

Kneespace

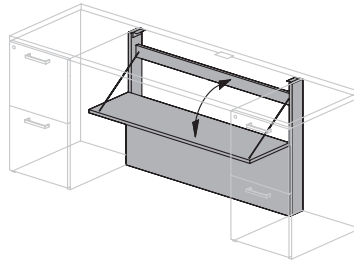

[23-M7220CR](#) laminate (shown)
[23-W7220CR](#) veneer

Hinged panel

(FZ) shown on file/file

(FZ) shown on kneespace

Grommets

Left, center, and right locations shown (G8)

Built up components Credenza | storage

Lateral file credenza

- Overall dimensions: 20x62
- Height: 30"h
- Four lateral file drawers
- Anti-tilt mechanism

Door credenza

- Overall dimensions: 20x66, 20x72
- Height: 30"h
- Four file drawers, center double doors
- Adjustable shelf behind doors

Buffet credenza

- Overall dimensions: 20x73
- Height: 36"h
- Two drawers
- Four hinged doors (two sections). Adjustable shelf in each door section

Lateral file credenza

[23-M6020CLE](#) laminate
[23-W6020CLE](#) veneer

Door credenza

[23-M7220CRD](#) laminate (shown)

Buffet credenza

[23-M72336BCC](#) laminate
[23-W72336BCC](#) veneer

Built up components Transaction counters

General

- Height: 15" h

Transaction counter

- Overall dimensions: 15x72
- **Note:** For use on 72" w desks only

Transaction L counter

- Overall dimensions: 72x82 1/8
- **Note:** For use on 72" w desks with 48" w return only
- Handed left or right

Transaction counter

[23-M7215TC](#) laminate
[23-W7215TC](#) veneer

Transaction L counter

[23-M7282TCR](#) laminate (shown)
[23-W7282TCR](#) veneer

Built up components Transaction counter organizer

- Overall dimensions: 13 7/8x12
- Height: 13 7/8" h

- **Note:** Use with transaction counter on 72" w desk

[23-M1414ORGO](#) laminate
[23-W1414ORGO](#) veneer

Worksurface storage Highback organizer

General

- Widths: 66"w, 72"w
- Depth: 15 ¼"d
- Height: 42 ½"h
- **Note:** For use on credenzas only
- Inverted top edges
- Wire management grommets in back
- 21 ⅛" Clearance from worksurface top to bottom of organizer storage

Options for door models

- Pull: knob or knob with plate pull, see [door pull](#) section for options
- Door style: solid panel standard, see [hinged door](#) section for options

Hinged doors

[23-M7243HD](#) laminate (shown)
[23-W7243HD](#) veneer

Open shelving

[23-M7243HN](#) laminate (shown)
[23-W7243HN](#) veneer

Door/shelf

[23-M7243HDS](#) laminate (shown)
[23-W7243HDS](#) veneer

Worksurface storage Highback organizer accessories

Tackboard

- Widths: 62 ⅜"w, 68 ⅜"w
- Depth: ½"d
- Height: 17 ½"h

Paper organizer

- Width: 16 ¾"w
- Depth: 12 ⅜"d
- Height: 21"h

Tackboard

[FT1169](#) (shown)

Paper organizer

[23-M1721ORGO](#) laminate
[23-W1721ORGO](#) veneer

Wallmount components Wallmount organizer

General

- Widths: 66"w, 72"w
- Depth: 15 ¼"d
- Height: 21 ½"h
- **Note:** For use over credenzas only
- Inverted top edges, shaped front and sides
- Wire management grommets in back
- ½" Clearance from worksurface top to bottom of organizer storage

Options for door models

- Pull: knob or knob with plate pull, see [door pull](#) section for options
- Door style: solid panel standard, see [hinged door](#) section for options

Hinged doors

[23-M7221HDW](#) laminate (shown)
[23-W7221HDW](#) veneer

Open shelving

[23-M7221HNW](#) laminate (shown)
[23-W7221HNW](#) veneer

Door/shelf

[23-M7221HDSW](#) laminate (shown)
[23-W7221HDSW](#) veneer

Wallmount components Wallmount tackboard

- Widths: 64"w, 70"w
- Depth: ½"d
- Height: 20 15/16"h

[FT2125](#) (shown)

Freestanding storage Lateral files

- Widths: 32"w, 36"w
- Depth: 20"d
- Heights: 30"h (two drawers), 53 $\frac{7}{8}$ "h (four drawers)
- Anti-tilt mechanism

Two drawer

[23-M3620LFC](#) laminate (shown)
[23-W3620LFC](#) veneer

Four drawer

[23-M3654LFC](#) laminate (shown)
[23-W3654LFC](#) veneer

Freestanding storage Door cabinet

- Width: 32"w
- Depth: 20"d
- Height: 30"h
- One adjustable and one stationary shelf

[23-M3220DC](#) laminate
[23-W3220DC](#) veneer

Freestanding storage Bookcase organizer

- Widths: 32"w, 36"w
- Depth: 15"d
- Heights: 42 ½"h
- **Note:** Use over two drawer lateral files or door cabinet
- One adjustable and one stationary shelf
- Inverted top edge

[23-M3643BC](#) laminate (shown)
[23-W3643BC](#) veneer

Freestanding storage Bookcases

- Widths: 32"w, 36"w
- Depth: 20"d
- Heights: 30"h, 48 ½"h, 60 ½"h, 72 ½"h
- 30"h Features one adjustable and one stationary shelf
- 48 ½"h Features two adjustable and one stationary shelf
- 60 ½"h Features two adjustable and two stationary shelves
- 72 ½"h Features three adjustable and two stationary shelves with inverted top edge

[23-M3230BC](#) laminate (shown)
[23-W3230BC](#) veneer

Freestanding storage Bookcase/door tower

- Width: 32"w
- Depth: 15"d
- Height: 72 ½"h
- Inverted top edge
- Top section:
 - Two adjustable shelves
 - One stationary shelf
- Bottom section:
 - One adjustable and stationary shelf behind doors

[23-M3272BCBD](#) laminate
[23-W3272BCBD](#) veneer

Work tools

Monitor arms

- Single or double monitor arms
- Available in silver, black, or white
- Smart base with integrated USB-A and USB-C
- Top down clamp or grommet mount
- Concealed cable management
- For screens 17"-35", weight 4-24.2 lbs.

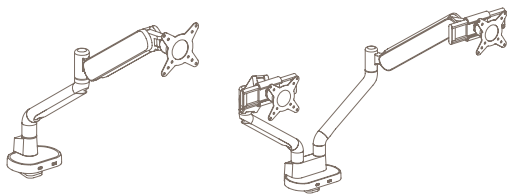

Storage add ons

- DA16-1 pencil tray to be used in box drawers
- Pencil drawer - black molded plastic, flush mount

CPU holder

- Mounts to underside of surface
