Meeting Room planning guide

Our conference offering includes numerous base choices to complement our tops. For easy selection of bases we have compiled this quick reference guide of compatible bases with tops.

BASE OPTIONS FOR ROUND AND SQUARE TOPS

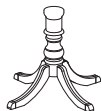

NOTE: All round and square conference tops require additional weight in the base when using cylinder bases to prevent the table from tipping over. OFS provides instruction sheets and clear 6 ml bags with base. Customer must provide dry sand for the additional weight.

POWER SUPPLY AND BASE MATRIX

The Power Supplies can be used centered over select bases or between bases.

When ordering power supply **centered over base(s)**, refer to matrix for applicability.

Y = Power supply will work over this base

R = Power supply will work if **ROTATED** to run with base. Conference top must indicate **ROTATED** power supply

X = Power supply will not work over base
