

Pind

Fun and functional. The Pind board activates walls with a peg and shelf system that is ever-changing based on your creativity. Simple locking pins support shelves or hanging elements

to personalize spaces or for creating focal points in a café or meeting space. Ignite your imagination towards walls with Pind.

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
