## Height adjustable Freestanding desks

### General notes

- Desk sizes: 30x54, 30x60, 30x66, 30x72.
- **Note:** Asymmetrical top is not available as 30x72
- Height: 28"h
- Height range: 28"-44"h
- Desk models available with symmetrical or asymmetrical surface
- Height adjustable metal shroud will match powder coat chosen for base finish
- Column access panel
- Veneer and HPL tops feature matching square edge
- Paint and solid surface tops feature soft bullnose profile
- Non-skid plastic glides

### Symmetrical surface

- Overhangs column base 27" on each side

### Asymmetrical surface

- Overhangs column base 23" on one side, and 31" on opposite side
- 31" overhang handed left or right from user side

### Power and wire management

- Optional grommets in surface
- Optional PS-77 power supply with metal wire management trough. Trough standard in black, option to powder coat to match base and column finish
- Refer to [Ally power and wire management guide](#) for additional information

### Symmetrical top

## Height adjustable Wallmounted desks

### General notes

- Desk size: 57x22
- Height: 28"h
- Height range: 28"-44"h
- Desk available with symmetrical or asymmetrical surface
- Column access panel
- Veneer and HPL tops feature matching square edge
- Paint and solid surface tops feature soft bullnose profile
- Non-skid plastic glides
- Desk will mount directly to wall. 1.5" gap between worksurface and wall

### Symmetrical surface

- Overhangs column base 12" on each side, and 12" to the worksurface front

### Asymmetrical surface

- Overhangs column base 19.5" on each side, and 12" to the deepest point of the worksurface front
- 19" overhang handed left or right from user side
- **Note:** Surface is not handed, deeper portion of worksurface on left hand side

### Power and wire management

- Optional grommets in surface
- Optional PS-77 power supply with metal wire management trough. Trough standard in black, option to powder coat to match base and column finish
- Refer to [Ally power and wire management guide](#) for additional information

### Symmetrical top

## Desks Fixed height

### General notes

- Width: 90.5" w
- Depth: 22.5" d
- Height: 76" h
- 21" d x 58.5" w asymmetrical desk height worksurface. **Note:** 21" d dimension is to the deepest part of the worksurface
- Storage is handed left or right from user side
- 1.5" gap between surface and wall for wire management
- Veneer and HPL tops feature matching square edge
- Paint and solid surface tops feature soft bullnose profile
- **Note:** Entire unit is wall mounted. Cantilever mounting brackets included for the worksurface, available in luster grey or onyx. **Note:** Storage will mount about 6" AFF

### Wardrobe storage

- Models available with open or door wardrobe storage
- Both feature one fixed and one adjustable shelf, and two coat hooks, one each side
- Door storage features touch latch, no pull
- Fabric surround on wardrobe storage, see [approved textiles](#) list for material offering. **Note:** Direct direction on fabrics only

## Wall panels Marker tray

- Widths: 24"w, 36"w
- Depth: 2.75"d
- Height: 4"h (1.875" of usable height)
- Mounts to the backside of a wall panel
- Mounts to all stand alone modular wall panels. **Note:** Not to be used with modular storage wall panels

### Marker tray

[119-24MT](#) (shown)

## Wall panels Stand alone | no shelving

- Widths: 30"w, 60"w, 90"w
- Depth: 1.25"d
- Height: 48"h
- Wall panels available as laminate (markerboard included), veneer, or cork. Laminate and veneer are horizontal grain. **Note:** Modular storage wall panels only available in cork
- Upholstered edge around wall panel and modular wall panel perimeter, see [approved textiles](#) list for material offering
- **Note:** Max mounting weight of 55 lbs.

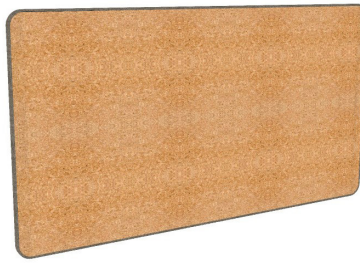

### Wall panels

[119-3048WP](#)

[119-6048WP](#)

[119-9048WP](#)

## Wall panels Stand alone | with shelving

### General

- Widths: 30"w, 60"w
- Depth: 13.25"d
- Wall panels available as laminate or veneer, vertical grain
- For wall panel models with upholstered edge, see [approved textiles](#) list for material offering
- **Note:** Max shelf weight of 5 lbs. per linear foot

### 14"h single shelf

- Height: 14"h
- Edges available as finished edge or upholstered

### Full height shelves

- Height: 48"h
- Models available with single or triple shelves

### Multi finish

- Full height wall panels with a single shelf are also available in multi finish (-MF) models
- Section above shelf standard as laminate or veneer
- Section below shelf available as laminate, markerboard, veneer, or cork. Markerboard is dry erase laminate
