## Pedestals

- Full of 3/4 pedestals with full modesty panels are standard

## Wire management

- Wire management is standard in returns, bridge units, credenzas, corner units and hutch units

---

## Drawers

---

- Engineered composite wood material with mitered corners provides excellent strength and durability
- Woodgrain patterned drawer sides provide a consistent appearance and are stain resistant and easily cleaned
- Optional center drawer

## File Drawers

---

- File drawers have full extension, progressive action slides with steel ball bearing suspensions
- They accommodate letter or legal filing

## Locking

---

- Pedestal locks secure all drawers with the turn of a single key
- All units ship keyed alike
- Removable lock cores for re-keying
- Built up units (desks, credenzas, returns, etc.) locking is on inside of pedestal except for multi-files or lateral files; multi-files, lateral files and modular products locking is on front of pedestal

*Specific key requirements may be specified on the purchase order at the time the order is placed for field installation (ship separately)*
