

Pulse

Pulse

Pulse offers the perfect space planning experience. A modular interface allows you to custom fit the right furniture for your space. Easily wrap a room for multiple work areas and keep a light and airy footprint. Use Pulse's modularity and vast color palette to brand your company's culture or highlight individual departments. Plan easier and influence work better with Pulse.

Thought starters

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
