Element overview Front panel inlay detail

- Inlay detail available on both transaction counter and transaction box reception desks
- Straight grain, no inlay (GY) standard
- Straight grain with inlay:
 - Metallic inlay (B7V)
 - White inlay (B7U)
 - Black inlay (B7T)
- Reverse diamond with inlay:
 - Metallic inlay (HB)
 - White inlay (HA)
 - Black inlay (GZ)

Note: Inlay option on double desk units features two vertical inlay strips towards each end. EL-72D2 model features three vertical inlay strips in reverse diamond pattern only

Reverse diamond black inlay (GZ) shown on triple desk with transaction box

Reverse diamond black inlay (GZ) shown on double open desk with transaction counter

Straight grain black inlay (B7T) shown on open L desk

EL-72D2 black inlay (GZ) shown

Element overview Front panel overlay detail

General notes

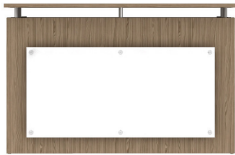

- Front panel overlays are available on both transaction shelf and transaction box reception desks
- One overlay for single desk, two overlays for double desk, and three overlays for triple desk
- **Note:** Overlay panels for transaction box desks will always be placed under the transaction box sections

Overlay materials

- No overlay (ZJ) standard
- Veneer overlays (**Note:** Standoffs not visible from the front)
 - Straight grain (RN)
 - Birdseye maple (RQ)

- Interlam overlays (**Note:** Standoffs not visible from the front)
 - Wave: black (CBL), white (CWH), or metallic (CMT)
 - Fluted: black (FBL), white (FWH), or metallic (FMT)
- Acrylic/glass overlays (**Note:** Standoffs are visible from the front)
 - 3 Form: micro cirque (MIC), aero white (AER), or paper cut (B2U)

Transaction shelf Desk shell

Note: Refer to **planning guide** for additional information on desk dimensions and shipping notes

General notes

- Overall widths: 72"w, 84"w
- Overall depth: 34.31"d
- Overall height: 45-46"h. Overall height determined by transaction shelf material
- Long grain desk
- See **transaction counter materials** page for transaction counter finishes

Options

- No desk grommet standard. Optional grommet in any combination of left, center, and right locations
- See **inlay detail** page or **overlay detail** page for optional front accent information

Tackboard

- Tackboards available for each desk width. For use on main desk under transaction counter only

Pedestals

- See **pedestal page** for pedestals available for main desks

Transaction shelf Single L desk

Note: Refer to [planning guide](#) for additional information on desk dimensions and shipping notes

General notes

- Overall widths: 72"w, 84"w
- Overall depths: 82.31"d (48"w return), 94.31"d (60"w return)
- Overall height: 45-46"h. Overall height determined by transaction shelf material
- Long grain desk, with short grain return
- Return is handed left or right based on user location
- Return grommet standard in center location
- See [transaction counter materials](#) page for transaction counter finishes

Options

- No desk grommet standard. Optional grommet in any combination of left, center, and right locations
- See [inlay detail](#) page or [overlay detail](#) page for optional front accent information

Tackboard

- Tackboards available for each desk width. For use on main desk under transaction counter only

Transaction shelf Double desk shell | open center

Note: Refer to **planning guide** for additional information on desk dimensions and shipping notes

General notes

- Overall widths: 144"w, 168"w
- Overall depth: 34.31"d
- Overall height: 45-46"h. Overall height determined by transaction shelf material
- Long grain desk (two surfaces)
- Two 36"w or 48"w transaction counters, one at each end. 36"w on 72"w models, and 48"w on 84"w models
- 72"w center opening between transaction counters
- See **transaction counter materials** page for transaction counter finishes

Options

- No desk grommet standard. Optional grommets under transaction counter end (two total)
- See **inlay detail** page or **overlay detail** page for optional front accent information

Tackboard

- Optional tackboard for each desk width. For use on main desk under transaction counter only. Two tackboards included in model number, one for each end

Pedestals

- See **pedestal page** for desk pedestals available. Cannot be used with return pedestals. **Note:** pedestals cannot be placed in center section

Transaction shelf Double desk shell

Note: Refer to [planning guide](#) for additional information on desk dimensions and shipping notes

General notes

- Overall widths: 144"w, 168"w
- Overall depth: 34.31"d
- Overall height: 45-46"h. Overall height determined by transaction shelf material
- Long grain desk (two surfaces)
- Support panel standard at surface seam
- **Note:** Support panel can be removed and replaced with a desk pedestal, or pedestal can be placed next to support panel
- See [transaction counter materials](#) page for transaction counter finishes

Options

- No desk grommet standard. Optional grommets centered on each desk worksurface (two total)
- See [inlay detail](#) page or [overlay detail](#) page for optional front accent information

Tackboard

- Optional tackboard for each desk width. For use on main desk under transaction counter only

Pedestals

- See [pedestal page](#) for pedestals available for main desks

EL-T72D2

- Overall width: 144"w only
- Reverse diamond front with choice of inlay color only. **Note:** EL-T72D2 has center vertical inlay strip. Other models do not feature center strip when inlay is chosen. See [front panel inlay detail](#) page for more information

Transaction box Overview

General notes

- Transaction box interior includes cubby sections
- Vertical dividers within transaction box are frosted acrylic

LED lighting

- Optional accent light (NY). Three LED lights under transaction box. **Note:** Lights can be placed anywhere along front or side of transaction box
- Power cord with built in switch located in front corner below the worksurface

Boat shaped transaction shelf

- Available on double and triple desks, with or without returns. **Note:** Not available on double desk with open center
- 36" w boat shaped transaction shelf fills the space between transaction box openings
- Materials available: Straight grain (ZQ), birdseye maple (ZS), clear glass (ZU), or quartz
- For quartz choose from tier 1 (ZV1), tier 2 (ZV2), tier 3 (ZV3)
- Link to quartz options [here](#) on ofs.com

Storage Pedestals

General notes

- Height: 28.81" h
- File drawers accommodate letter or legal filing
- Locking pedestals standard
- **Note:** Cannot be used as a freestanding unit

Box/box/file and file/file pedestals

- Width: 15.625" w
- Depths:
 - Use 27.625" d pedestal under desk worksurface
 - Use 19.625" d pedestal under return or credenza
- Optional **pencil tray insert**. **Note:** For use with box/box/file pedestal only

Lateral file pedestal

- Width: 31.25" w
- Depth: 19.625" d
- Use under return or credenza surface
- Anti-tilt mechanism central locking

CPU Pedestals

- Width: 31.25" w
- Depth: 18.875" d (without doors), or 19.625" d (with doors)
- Use under return or credenza surface
- Left side: CPU storage with open back
- Right side: One adjustable shelf, full back
- Locking standard on door model

Multi file pedestal

- Height: 28.81" h
- Width: 31.25" w
- Depth: 19.625" d
- Use under return or credenza surface
- Locking file and lateral file drawers only, box drawers are non locking
- Handed left or right, based on file drawer location
