# Ezel

The future of office design requires flexibility to shift as needs change throughout the day. Ezel offers utility through easily movable whiteboards that rest easy in a caddy or on a mounted wall rail. Combined with Kaleid, this pair immediately adds functionality and flexibility to any space.

## Thought starters

Webb Associates

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Tony DaCosta. Webb Associates are known for their ergonomic

expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as Genus, Heya, LeanTo, Obeya, and Kasura by OFS and Hug by Carolina.
