Seat

Finish
- The european beech molded plywood seat is offered as finished to match the frame or upholstered
- The upholstered option includes a 1” thick piece of polyurethane foam on the seat. The foam has a density of 2.3 lb./cu. ft.

Upholstered
- All fabric and leather pieces are cut with automated cutters that utilize precise patterns. The bottom of the seat is finished off with a black accord material

Frame

- The frame is constructed of solid european beech that is tenoned and or doweled, corner blocked, glued, screwed and or stapled together
