Inline Non ganging

- Width: 42"w
- Depth: 16"d
- Heights:
 - HY-4216: 29"h
 - Low units: 65.5"h
 - High units: 83.5"h
- Freestanding units
- Three styles: no frame, open frame, and wire frame
- Wire frame features interior powder coat frame
- **Note:** Ganging option available for open and wire frame planters to attach finished end of Obeya post. No ganging option for no frame planter

Ganging wedge

Tessellate Single, wood slat infill

- Width: 42"w
- Depth: 17.5"d
- Heights:
 - Low frames: 65.5"h
 - High frames: 83.5"h
- Four infill styles: horizontal, diagonal, wave, and circles
- **Note:** Model number shown under horizontal slat used for all infill types
