

Kosa

# Kosa

A well-placed table brings a space together. Kosa's simple, linear wire rod base presents a floating top perspective for light-scale design interactions. Varied shapes and sizes along with materials and color choices for personalization, Kosa tables offer a platform to showcase that fabulous find from the local trade store.

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
