Worksurface privacy panel

Edge modesty bracket

Movement and well-being go hand-in-hand

Range inline height-adjustable benching offers the ability to change worksurface heights to ensure movement throughout the day. These smart, intentional transitions between sitting and standing can relieve stress, engage muscles and nourish the body with improved blood flow.

Thought starters

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
