

PS-37 & PS-38 Power Supply

The PS-37 and PS-38 are table troughs packed with configurability for power and data. The PS-37 and PS-38 incorporate an integral two door lid with dampened release action and retracts into the table when opened

to maximize table work surfaces and complement any table design. Fully flexible, PS-37 and PS-38 can be customized with different inserts to provide a variety of power & technology needs.
