

Maive occasional

Being casual yet complex has never been more aesthetically pleasing. The Maive collection introduces a combination of twists and turns that can thread along creativity or satisfy simplicity. Allow the table to counter confidence by adding a dash of personality to the base with our selection of powder coats. Solidify a satisfying look with a bold veneer or an elegant stone top. Whether kicking up your feet or setting down your coffee, let Maive unapologetically blend a natural and professional workspace together.
