Riggs screens

Meet Riggs, an adaptable screen collection designed to bring privacy and focus. Just like the name suggests, you can Rigg up your workspace effortlessly with either straight or curved screens. These screens enable on-site customization to tailor each workspace to individual preferences throughout the hours or days ahead. Also designed for added creativity with options for layering screen textures, heights, and length, choose from upholstered, veneer, laminate, or dry erase options to best fit your color palette. With Riggs, seamlessly integrate flexible privacy features on any work surface to build an office that best supports the people within.
