

Rowen

Rowen pull-up

Rowen was inspired by architecture and landscapes, imitating sleek lines, natural materials, and a sense of lightness and poise. Designed by Brian Graham, the Rowen pull-up table was crafted to meet people where they're at; a lounge area, a pop-up café space, and more. The thin, faceted leg evokes a sense of clean design, while the butcher block surface provides the flexible workspace you've been looking for.
