

Ani

Ani

Here at OFS, we wanted to create something that combined elegance, simplicity, versatility, and cleanability, and Ani was the answer. This playful yet flexible solution features a durable frame that adapts to users' needs. With options like square or round arms, multiple leg styles, protective arm caps, and more, Ani allows you to feel confident in selecting the perfect fit while making both your space and your chair uniquely your own.

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
