

Ani

Ani

Here at OFS, we wanted to create something that combined elegance, simplicity, versatility, and cleanability, and Ani was the answer. This playful, flexible solution, offers a durable frame, which supports up to 500 lbs., accommodating the users' needs. Feel comfortable and confident while choosing the right fit for your space with square or round arms, a variety of leg options, protective arm caps, and more, making your space and your chair your own.

Thought starters

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
