Genus

The Genus series is designed to adapt to the evolving workplace whether it be in a collaborative, open plan setting or an executive suite. Genus will instantaneously respond to a variety of working needs intelligently, comfortably and ergonomically.

Interact with the next generation of seating and embrace the contemporary Genus collection with a black or white frame, seven different mesh, or fully upholstered options. Genus provides a simplistic work style with its ease of use and smooth lines. This is seating made simple.

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates, a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Tony DaCosta.

Webb Associates are known for their ergonomic expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as LeanTo and Heya by OFS and Hug by Carolina.
