

Heya workstations

# Heya workstations

The word Heya means “small room,” and the overall Heya line was designed to foster smaller touchdown spaces within an environment. The Heya workstations do just that, offering an updated, inspiring, and aesthetically pleasing rendition of the traditional cubical. Complete with height-adjustability, as well as mobility, spill guard, power, and shelving options, use the Heya workstations to find a place of respite and focus.

Webb Associates

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Tony DaCosta. Webb Associates are known for their ergonomic

expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as Kaleid, Fleet, Hydra, Ezel, Genus, Heya, LeanTo, Obeya, and Kasura by OFS and Hug by Carolina.
