

Heya footstool

# Heya footstool

In Japanese, Heya means “small room.” Webb Associates designed Heya to form smaller spaces within an environment. For individuals, Heya creates a place for people to escape, think, and breathe. Add additional comfort with the Heya footstool. Find relaxation by kicking your feet up while you work. At the end of the day, stow the footstool away under a Heya lounge with ease.

## Thought starters

Webb Associates

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Tony DaCosta. Webb Associates are known for their ergonomic

expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as Kaleid, Fleet, Hydra, Ezel, Genus, Heya, LeanTo, Obeya, and Kasura by OFS and Hug by Carolina.
