

Teardrop

# Teardrop stool

Playful and fresh, the Teardrop collection was created to make a statement. True to its name, the rounded-shell back mimics the shape of a teardrop, while unique arm and base options provide added flair. Teardrop is great for touchdown spaces and additional guest seating. Available in guest or stool heights, customize Teardrop with pops of color, warm accents of wood, and sophisticated textiles.

Morten Nikolajsen

Morten Nikolajsen graduated from the University of Southern Denmark in 2006, embarking on a lifelong journey of design and product development. Throughout this short career, he has faced much success, starting his own design firm, Mohoni Studio in Odense, Denmark, and working with well-known companies such as

HOWE and Acer Design. His passion for holistic design, functionality, and playfulness elevate his work and make him a leader in the design sphere. In fact, he often shares his affection and expertise for industrial design and engineering by lecturing the next generation of young designers at the University of Southern Denmark.
