Finish selection

Because of the unique nature of Ash and Walnut veneers and solids, only select stains are available

- On Ash veneers and hardwood - MBM, MLC, EBY
- On Walnut veneers and hardwood - BUW, MNW, MGO

Construction

- 1 3/16" MDF core faced with veneer on the outer frame
- 3/4" thick back panel, shelves, sliding doors and drawer fronts
- Cam and bolt construction including pocket bores, dowels and wood screws
- Ash hardwood base assembly and door pulls

Glides

- Non-marring adjustable glides

Carton/packaging

- Unit is packed in a carton with foam blocks and leg saddles to help prevent damage to the unit and the leg assembly.
