

Bendz

Form meets function with Bendz cantilevered pull-over tables. Available in two shapes, the straight table easily slides up to lounge and modular seating offering a convenient touch down, while the wedge shape can be nested together in a pack of four to create a round gathering space.

Constructed with a standard bent brushed stainless steel base that can be specified in any powder coat finish, and tops available in veneer, laminate, or solid surface. Pull up Bendz to support the way you work.

Bendz
