

Tate

Tate ottoman

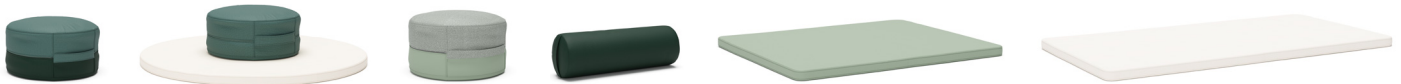

Introducing the Tate ottoman collection, a collaborative creation by OFS in partnership with Two Inches Beyond Black and Renita Woodson. Tate truly distinguishes itself within the market, offering a range of three cushions, a bolster, and three pad sizes. Originally designed as a meditation tool, Tate features a unique 2-sided combination of memory foam and buckwheat hulls, allowing you to discover the perfect sit to fit your needs. Crafted with the goal of helping individuals achieve a blissful state of mind, the Tate ottoman exemplifies the power of design to create a meaningful product that can help enhance our daily lives.

Renita Woodson

Carmen D. Harris, a public health consultant and bodymind coach, and Renita Woodson, a licensed interior designer who founded Renita Falana Designs in 2009, partnered with the OFS design team to create the Tate ottoman, which allows individuals to be grounded with their mind and body to create and imagine how they wish. OFS was proud to

collaborate with these remarkable women who inspire well-being in others through their work. Carmen is the co-creator of Imagine Me Free and Two Inches Beyond Black, and inspires Black dreamers and entrepreneurs through practices of rest and centering one's own body wisdom.
