Availability

Items on the OFS and Carolina QuickShip program will be delivered on or before 12 business days from date of credit approved order. The only exceptions are for shipments to Maine, Oregon, and Washington which will be delivered on or before 14 business days from date of credit approved order. Statutory holidays and scheduled factory closings may add to acknowledged lead times of QuickShip orders.

Available factory capacity for QuickShip is filled by orders received on a “first come, first served” basis. If the normal 12-day lead time is not available because available capacity has been filled, you will be immediately advised.

QuickShip orders must be “clean” when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be “clean.” Cancellations or changes to QuickShip orders are not allowed under any circumstances.

QuickShip items and options are clearly listed in the OFS and Carolina QuickShip Guide, indicated as QuickShip by a Q- prefix to the model number. Example: Q-5-7236FDP2

Orders are limited to:

- Maximum quantities per QuickShip order
  - 12 casegoods setups (executive office, l-unit, u-unit)
  - 24 open plan stations
  - 12 conference tables
  - 24 training tables
  - 12 occasional tables
  - 24 seating models (for multi-packed chairs, use quantity per seat)
  - 12 recliners, sleepers
  - 24 mobile tables
  - 12 lockers
- Finish palette: Blonde, Sienna, Root, Steel
- Laminate palette: Blonde, Sienna, Root, Steel, Frosty White, Grey, Slate Grey
- Paint/powder coat palette: Luster Grey, Oiled Bronze (specific to Carolina products only), Onyx, Polar, Bone White
- Option limitations by product: pull, edge, grommets, etc. (see product specification pages)
- Textile program/patterns: Maharam, Helvetia, Camira, C.F. Stinson, OFS Trinity Collection

Only the selected products, options and fabrics shown in the OFS and Carolina QuickShip Guide are available through this program. No specials, modifications, etc. are allowed under QuickShip. Shipments are allowed only to a single destination; split shipments cannot be allowed.

QuickShip textiles - Please reference page 62-66 or the QuickShip textiles at ofs.com or carolina.ofs.com to view available fabric options.

Purchase orders must include only QuickShip items. Issue a separate purchase order for any products that are not in the OFS and Carolina QuickShip program. Orders for non-QuickShip items will be shipped complete at standard lead times within our normal manufacturing schedule. For information on stock availability, call our OFS customer service hotline 800-521-5381 or Carolina customer service hotline 800-763-0212.

QuickShip 12 business days does not include weekends or holidays. The date the order is received is counted as day zero.

Note: Planned shipping dates may be delayed due to fires, strikes, natural disasters or other causes beyond our control.

Quantity orders

Contact your OFS or Carolina Customer Service Representative to verify inventory and production schedules to ensure requested shipment date prior to placing large quantity orders.
