Room Collection

Room L

Frame

A blank canvas for better space planning.

Meeting Room

A better way to work together.

Focus Room

A private office to call your own.

Room L Frame

A blank canvas for better space planning.

The Room L Frame is a clean architectural structure designed to flex with your needs. It's your starting point—a minimalist frame that gives you the freedom to furnish, configure and reimagine your space as you go. This is flexibility, by design.

Frame

01 Sustainably Soundproof
Walls made from 100% pure new wool and recycled PET, engineered to reduce noise by up to 31db.

04 Motion Sensor
Occupancy sensor helps you stay energy efficient all day long.

07 Plug
Located in the back of the room, a standard 120V plug with 10ft cord reach gives you the freedom to make room where you need it most, no hardwiring required.

02 Ventilation
Fans in the roof and interior air inlets keep the air inside fresh at all times.

05 Skylights
More natural light means more room to free your mind and think big.

08 ADA Compliant
Clear turning space and entry clearance for maximum mobility ensure comfort and productivity for everybody.

03 Ambient Lights
Recessed lighting overheads that help your bright ideas come to light.

06 Light Controls
Intuitive control of in-room lighting ensures the light hits you and your work just right.
