### Fabulous in Florida

Located just 10 minutes north of the Bryan Ashley corporate headquarters in Deerfield Beach, Florida, the DoubleTree by Hilton provides a convenient sanctuary from the hustle and bustle of the neighboring cities. During a recent renovation, the Bryan Ashley team worked in concert with ID & Design International to create the ultimate guestroom experience. Together, the team was focused on creating the most comfortable

guestrooms in Southeast Florida. Current guest reviews indicate the project was a huge success! Each of the 221 newly renovated guestrooms feature a bright atmosphere with rich wood veneers and classic white and rose gold accents along with comfortable platform bedding, extra-large smart televisions, and superior custom furnishings.

## Beach Eats

Noted as one of the best restaurants in Southern Florida, JB's on the Beach pairs gorgeous beach views and tropical breezes with a casual atmosphere and outstanding food. The team at Bryan Ashley has been enjoying this fantastic restaurant for years. Their talented chefs are constantly changing up the menu in order to bring the best collection of traditional seafood dishes and classic American cuisine. Each dish starts with fresh ingredients with a focus on flavor. Diners can choose from appetizer favorites like coconut shrimp, lobster flatbread, oysters on the half shell, or a crisp wedge salad. Move onto the main entree and indulge in the renowned JB's baby back ribs, seafood paella, or perhaps sesame seared tuna is more to your liking.
