

Location spotlight

Loews Coral Gables Hotel Coral Gables, FL

Fall in love with the newest luxury hotel located just blocks from the Coral Gables' Miracle Mile

As the first new hotel to open in Coral Gables in more than 20 years, Loews Coral Gables covers 7 acres and features 242 guestrooms, including 21 stylish suites featuring a sophisticated, modern design, and luxe amenities.

Working with CallisonRTKL, our team of experts created detailed drawings, developed custom finishes, and recommended manufacturing solutions that would achieve their design intent. Throughout this project,

our project management team provided weekly update reports to keep both the designer and purchasing agent aware of the progress and important milestones. Our in-house engineers worked with the factories during the production process, and our logistics team provided weekly shipping updates and scheduled all deliveries.

Visit the Loews Coral Gables for your next business trip, family vacation, or simply to check out the Bryan Ashley custom furniture!
